WIFE ASKS DIVORCE—Sarah
Clem filed suit for divorce from Clin-
ton Clem yesterday in the superior
court, alleging that her husband de-
serted her at Los Angeles January 7
of last year and that for more than a
year he has failed to provide for their

married at San Francisco, October 28,

DEMOCRATS TO MEET FEB. 21—
A meeting of the democratic state
central committee has been called to
meet in Phoenix February 21 to elect
six delegates to the national conven-
tion of the democratic national committee
to be held in San Francisco, July 23, 1920;
also to transact any other business
that may come before the meeting.

IT WAS COL. STEWART—The Re-
publican stands corrected. In a note
appended to one of the items of
"Forty Years Ago Today," relating to
General Charles P. Eagan, who at that
time was stationed at Fort Whipple,
it was stated that he was later con-
fined at Camp Grant by the order of
President Roosevelt. State Librarian
McClintock correctly informs The Re-
publican that it was Colonel W. R.
Stewart who was confined. The editor
of "Forty Years Ago Today" was
confused by the somewhat similar epis-
odes in the careers about the same
time of General Eagan and Colonel
Stewart, the former having been sus-
pended from duty on account of his
attack upon General Eagan.

GEORGE O. FORD TO WED—Cards are
out announcing the engagement of
George O. Ford of this city and Cora
Patterson of Los Angeles.

man was recently transferred to Yuma
from Phoenix by the Standard Oil
company.

ADAMS P. T. A. MEETS—The
Parent-Teacher association of the Ad-
ams school will meet at 3 o'clock this
afternoon. The annual "Child Wel-
fare" day will be observed, with the
Rev. G. D. Youkum as the principal
speaker. Tickets for the dinner to be
held on March 8 at the Woman's club,
in connection with the annual state
conference, may be secured from the
secretary at this meeting.

JUSTICE CUNNINGHAM ILL—

ona state supreme court is confined to
his home with an attack of influen-
za. His condition is not regarded as
serious.

GOVERNOR RETURNS—Governor
Thomas E. Campbell returned last

GOES TO COAST—Mrs. W. T. Webb
wife of the state director of the en-
forcement of national prohibition, left
yesterday for a week's absence in Los
Angeles.

CHARGES DISMISSED—Bob Coch-
ran and Clint Nafziger had a trial in
Judge McKee's court yesterday on a
charge preferred against them by Fan-
nie Abramoff, a Russian woman of the
Glendale colony, who had declared they
threatened to kill her. The testimony
at the trial indicated that the two de-
fendants had been throwing rocks at a
horse and calling at the animals. The
woman misunderstood their conversa-
tion as having been directed at herself.
Judge McKee dismissed the case.

SHEPHERDERS FIGHT—Word
received yesterday by Sheriff Mont-
gomery from Juan Padilla at Beards-
ley, stating that a shepherd at Nada
attacked and seriously wounded an-
other there Monday night, and request-
ing that an officer be sent there. Be-
cause of the condition of the roads and
the high water, no car was sent to
Nada and no action will be taken, it
was stated at the sheriff's office, until
a further report of the affair is re-
ceived.

YOUNG VOTERS MEET—The first
formal action in preparation for the
coming municipal campaign was taken
last night at a non-partisan meeting
of young voters in the selection of a
ticket. The meeting endorsed W. H.
Crockett for mayor and R. S. Saufley
and O. E. Schupp for commissioners.

RECOVERS FROM OPERATION—
Charles O. Bunell, dayman at the
Indian school, is recovering from an
operation for appendicitis performed
Monday morning at St. Joseph's hos-
pital.

HERE TO VISIT SISTER—Mrs.
Heath Steel of Washington and New
York is expected in Phoenix within the
coming fortnight to pass the spring
season with her sister, Mrs. Ben Rud-
derow. It is possible that Mr. Steel,
who is recognized as an authority on
mine valuations, will join his wife in
this city later in the year.

MRS. CORBETT STILL VERY ILL—
The condition of Mrs. Edna W. Cor-
bett, secretary to Attorney General
Wiley E. Jones, showed no improve-
ment yesterday. She is suffering from
pneumonia following influenza and her
condition is regarded as critical.

BIG DAMAGE SUIT TODAY—
Hearing of the \$10,000 personal injury
brought by Camil Aguilar against the
Marquette Canal and Land company
will engage the attention of Judge
Stanford in the first division of the
superior court today. Aguilar alleges
that while in the employ of the com-
pany last year as a teamster, he was
injured by a heavy casing which he
was carrying in his wagon and which
fell on him.

K. C. DANCE FEB. 13—Second of a
series, an invitation dance for mem-
bers of the Knights of Columbus will be
given at the Woman's club on Friday,
February 13. Officers of the lodge are
acting as a committee in furthering
the affairs.

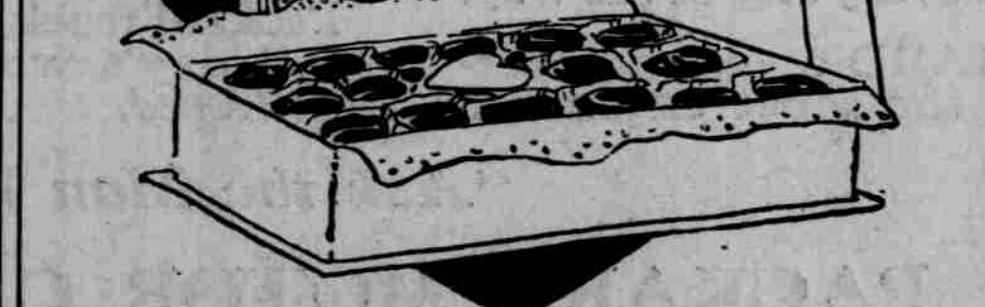

A BOM NOT—Speaking of "Blind
Husbands," Henry C. White says a
blind husband and a deaf wife make
an ideal couple.

LINCOLN MEMORIAL—Special
Lincoln memorial services, it was an-
nounced last night, will be held at the
First Congregational church, with a
special program in honor of the occa-
sion of the birthday anniversary of the
greatest American. The "Wednesday
supper," usually served at the church
each Wednesday evening, will not be
given tonight.

DEATH RATE CLIMBS FOR LACK OF FOOD
PRAGUE—Food relief in Czecho-
Slovakia must be extended far beyond
even its present wide scope if the sit-
uation through the late months of the
winter is to be met. Hunger, suffer-
ing and the death rate climb steadily
higher every day.

The children especially are in dire
straits. Hundreds and thousands that
crowd to the child-feeding canteens
of the American Relief Administration
come with swollen limbs, indicating
tissues full of water—due to lack of
fat. Many have the swollen, bloated
stomachs that mark the early stages
of starvation, and malnutrition is uni-
versal. In the famous glass manu-
facturing districts of Bohemia, more
than 40 per cent of the entire popula-
tion has become infected with tuber-
culosis as the direct result of poor
living conditions and lack of food.
